# SPONSORSHIP Program

Our sponsorship program recognizes donors who support initiatives of Texas A&M AgriLife Research and the Texas A&M AgriLife Extension Service.

This year, exclusive sponsorship opportunities are available for the 2018 Texas A&M Turfgrass and Landscape Field Day, October 10 in Dallas. Event details and registration are available at tinyurl.com/aggieturfday2018.

This convergence of academia, the green industry, and the public reviews the latest advancements and best practices in turfgrass breeding and management.

The sponsorship program welcomes industry and individual donors, including university faculty, staff, students, and alumni, to be recognized in the categories outlined below.

Please contact Dr. Lindsey Hoffman at lindsey.hoffman@ag.tamu.edu for additional information about the 2018 Texas A&M Turfgrass and Landscape Field Day and sponsorship opportunities.
