Presented by:

Dallas, Denton, Collin and Rockwall County Agents
and

Janet A. Hurley, ACE, MPA

Extension Program Specialist III - School IPM

Texas A&M AgriLife Extension Service

Department of Entomology

Did you know that a **mouse** only needs the size of a dime to enter your home.

Termites can cause extensive damage to your walls, floors and other hidden areas.

Ants and cockroaches can find hidden passageways into your living spaces, learn how to keep them outside.

Tour through the IPM Experience House and apartments to learn how to prevent pests from moving in with you.

Location:

Water and Land Resources Building
Texas A&M AgriLife Center at Dallas
17360 Coit Road, Dallas, TX 75252
